Eyeing up podcasts but too timid to take the plunge?

Podcasts can provide a great means of communicating with your membership and you don’t need to be an audio wizard to make them happen.

The Power of Personas

Think about your association’s membership for a minute. Do you have any insights into their personalities, their desires, their challenges and what they find engaging about their membership?

Residential Landlords Association and National Landlords Association merge

The Residential Landlords Association and the National Landlords Association announce their intention to unite to create a single organisation for after more than 20 years of friendly competition.

EASL Governing Board appoints new Managing Director

Starting this month, Ben Hainsworth begins his role as managing director of EASL, with a history at KIT Group and the European Society of Cardiology.

Interviews (Members only)

Kees van Oort, European Association of Geoscientists and Engineers

Kees talks about the challenges they are facing in engaging members, developing event and communication strategies to promote members' engagement.

Anne Godfrey, Chief Executive, Chartered Institute of Environmental Health

Anne talks about the association's challenges, engagement and communications to service members' needs, as well as changes faced by the CIEH.

Recent Talks (Members only)

Association technology – the virtual association

IxDA is a virtual association of interactive design practitioners building on its origins as an online community. The use of open source technology and the transparency of the organisation's membership and communications are key factors to its success.

Building the professional standards DNA in order to create a purposeful learning and development programme

The CIEH was a long-established association that was forced to reinvent itself across every aspect of its organisation or face eradication. One critical area of transformation was to dial-up professionalism within the
Resourceful Association CEO moves on to a new venture to support associations.

Following eight years as CEO of the CLA, Katherine Eden Haig has decided to make a change with the opening Association Resources Company providing associations with much needed interim resources.

Congrex Switzerland - impressive association contracts

Congrex Switzerland has signed significant new contracts in a variety of business areas. The company has expanded its association management portfolio by thirty percent and has been appointment PCO or official accommodation agency for several global associations.

Adapting the membership model to engage at a more personal level with members

The Professional Women’s Network is a voluntary membership organisation with a global network. Whilst it is enjoying having more visibility and a greater voice, it is proving harder to attract and retain members.

100X Better - the Future of Networks & Associations

Ah, those serendipitous moments of connection! Sitting at the right table for the perfect discussion. Getting your ideas into a policy paper at just the right time.
