in „normal“ jobs, after some explanations, learning by doing is usual and adequate
in „normal“ jobs, after some explanations, learning by doing is usual and adequate

in airborne procedures, you might be dead before you are competent, even if it was only a training flight
our missions
are intrinsically dangerous
our missions and reality trainings are intrinsically dangerous
1. The Way of a traditional Organisation into the 21st Century

2. The Vision

3. A Dream Came True

4. The Training Site Today

5. What we make out of it
„We want to train as we fight!“
“We need situation awareness, not only skills”
