***Please send any questions concerning agenda items, supporting documents and e-meeting protocol that you would like to be addressed at the General Assembly by 14 October 2020.*

A moderated **Town Hall** during the 23 October 2020 session creates an opportunity for member federations to hear introductions from candidates running for UIAA President and to participate in live question and answers.

Would your federation like to ask a question to a nominee or about a UIAA commission or working group? Please send any [questions for consideration here](#), we encourage your participation.

REGISTRATION 2020

GA Registration will be done using an online questionnaire form which will remain open in the Members Area on the UIAA website. [Registration is now OPEN Please Click here](#).

Please select ONE voting member for your federation. You will be asked to indicate this when you register. Only the voting member will receive a ballot that will be sent directly to the delegate shortly before the General Assembly 2020. For security reasons only delegates who register for the General Assembly will be sent the link to the GA meetings.

We have received inquiries about guests being able to view the virtual assembly 2020. We are looking into possibilities for this and will get back to you shortly with more information.
