

ICAR 2021 Congress

Update of May 11th, 2021

Dear ICAR Members and ICAR Delegates,

As you are well aware, the situation due to the Covid pandemic still drives uncertainty and restrictions throughout the world. Consequently, our Greek Hosts have taken the decision not to host the ICAR Congress in Thessaloniki this year.

For this reason, **the 2021 ICAR Congress will be held virtually.**

The Executive board has taken the decision to run the Assembly of Delegates and the Election process this year and will soon be communicating how this will happen.

We thank you for your support and understanding and count on your active and valuable contribution.

May you, your family members and your fellow friends stay healthy in these challenging times.

With very kind regards,

The ICAR Executive Board
