Commission for Terrestrial Rescue

Recommendation REC B 0006 of the Commission for Terrestrial Rescue

of October 16, 2005

about

Static rope brakes

Geiranger (N) 1995

Revision in Chamonix (F) 2000

Revision in Cortina (I) 2005

Revision in Lake Tahoe (USA) - 2014

Advisable brake systems for static ropes enable the rope sliding through **twist free**.
