

# Prevention for Individuals and Aircraft Operators

20161031-AIR-REC0001 Air Rescue Commission Recommendation

We recommend that everyone in the outdoors:

1. **Wear** bright colored clothes.
2. **Use** the „V“ sign in case of distress.
3. **Use** the „NO“ sign if you need no assistance.
4. **Secure** any possible flying objects.
5. **Do not move** until ordered by rescuer(s).
6. If someone is going for help, **stay where you are!**
7. If you are above a rescue operation, **don` t move!** You may dislodge debris!

We further recommend that:

1. All non-participating aircraft **must stay away from rescue operation site!**
