Betreff: Re: Ken Zafren - Honorary Membership ICAR

Greetings

As the MRA's ICAR Committee's Chairman, it is an honor and privilege to nominate, on behalf of the MRA, Dr Ken Zafren to be considered to be awarded an Honorary Membership of ICAR.

I am confident that the evidence of Dr Zafren's numerous contributions to the ICAR community and the general mountain rescue community as well as the medical field at large over his career would warrant such a distinguished recognition.

I would be happy to provide a more formalized nomination letter should you require it. Please don't hesitate to let me know how I may further contribute to this nomination.

Best regards,

John Chang
U.S. Mountain Rescue
