Dear International Commission for Alpine Rescue Board

Polish Mountain Rescue GOPR as well as its Avalanche Commission support the candidature of Lukas Reutz for the position of the next president of the Avalanche Commission proposed by Österreichischer Bergrettungsdienst Bundesverband and supported by SAC, Bergwacht Bayern and Bergrettung Sudtirol. We have participated in avalanche dog handling trainings in Carinthia, Austria for many years and admiring Lukas's knowledge and expertise. We strongly believe that he will be the best choice regarding his skills and experience.

Kind regards,

Jerzy Siodłak
President of GOPR, Poland

Andrzej Brzeziński
Head of GOPR Avalanche Commission
