**I don't do this!!**

and I don't do this

# NO, NO and NO!!!

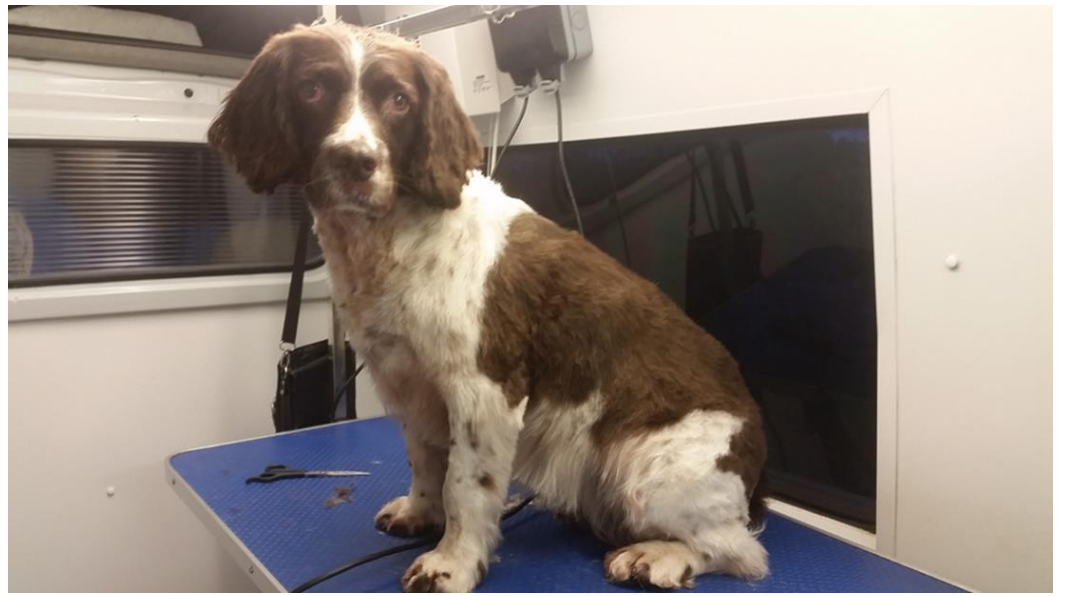

but I do this sort of groom on standard pets.

## Over grown claws.

This can be very painful for your dog and can easily go undetected if you don't check your dogs paws.

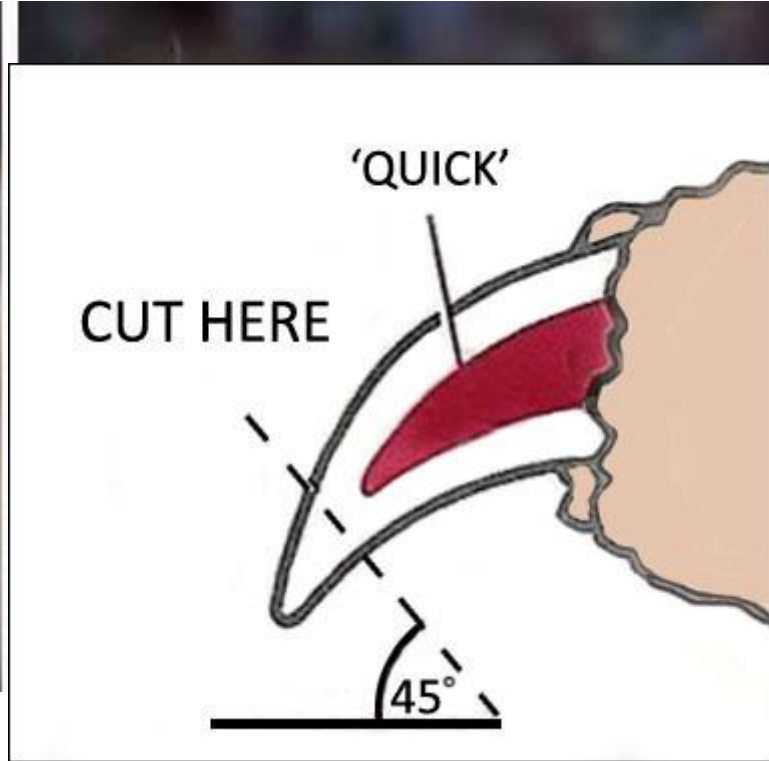

How long should a dogs nail be?

How often should I trim my dogs claws?

How do you cut dogs claws that are black?

Over grown fur around the pads

Trim the fur between the dogs pads or not?

One extreme to the other

Matted fur between the toes

Over grown fur inside the ears.  
This can cause the ear to become very itchy and  
cause infections as well as being very smelly.

Healthy eyes are generally clear and bright.  
Overgrown fur around the eyes!!

Check in places where  
you wouldn't normally  
want to.
