ICAR Board

Letter of recommendation - Marie Nordgren

Dear members of the ICAR board,
Based on the proposal of the Swedish Mountain Rescue Organization, SVEFRO we hereby would like to nominate Marie Nordgren for the election of the position of Vice President of ICAR.

Marie has a long experience from fulltime ski patrolling, mountain rescue (terrestrial, helicopter evacuation), avalanche control work, training and education of ski patrollers and mountain rescuers. She started her work 1983 and is still active. Marie also works as an instructor and developing first aid training for the Swedish Maritime Administration. She has also a good experience from international work with the International Ski patrol Organization (FIPS) since 1986 and is the coordinator for Europe within FIPS and a member of their executive board.

Through her work as a nurse anesthetist she has a good experience from international work due to her work for the Swedish National Air Medivac (SNAM).

Marie has been responsible for the development of the ski patrol training in Sweden for 35 years and many years in collaboration with the mountain rescue of Sweden.

We strongly believe that Marie will bring valuable assets into the organization and her leadership has throughout the time been highly appreciated.

Mattias Wiklund
Superintendent
