

Avalanche search in high risk area

Alf Peter Kahrs

Dan Halvorsen

- High pressure on the rescue personnel
- High focus in media
- Pressure from friends and family

The need to
establish
prosedures
for a plan B

4 skiers caught in avalanche april 2014

«to dangerous to
send in people in
the area»

3 persons on snowmobiles
in avalanche
Senja april 2013

Police:
« to dangerous to send in
Rescuers.....»
