

**International Commission for Alpine Rescue
Commission for Terrestrial Rescue**

**Terrestrial Rescue Commission
Meeting of October 18-21, 2007, in Pontresina/CH**

Agenda

1. Welcome

Bruno welcomes all members and the different nations with their organizations. Special thanks goes to the 4 ladies for the simultaneous translation, secretary Nathalie Werlen, as well as vice president Gebhard for their work.

Ballots are distributed.

For the counting of the votes the following members are elected: Fleury Bruno, Möslang Otto, Dörflinger Reinhold

2. List of Participants

Will be circulated. Please write legibly.

3. Contact Person for Country

A list for new contact persons or changes is available and can be done directly with the commission president so that the direct contact can be kept.

4. Minutes Kranjska Gora

There are no questions about the minutes from Kranjska Gora.

5. Analysis Goals 2007

This paper is accepted with 19 red and 4 blue.

France has pointed out different wording that does not correspond with their training and application.

6. IKAR Information

Bruno Jelk is not aware of any accidents regarding terrestrial rescue.

The presentations are not being received in time and the copyrights as well as the documentation are hard to come by. In the future, only presentations that are submitted on time will be accepted.

7. Information Internet

Internet Homepage was revised. There is still internal and external information.

Newsletters will only be sent to correctly submitted e-mail addresses. Each contact person is responsible for keeping the e-mail addresses up-to-date. Forgotten passwords can be recovered by entering user name or by e-mail to Gebhard. Each commission has a forum which can only be accessed in the internal page.

8. ICAR Recommendations

Recommendations are on the internet. Will be kept without changes.

9. Petitions to the Commissions

No petitions to the commission.

10. Petitions to the Executive Committee

No petitions to the executive committee.

11. Goals 2008

No proposals for a goal. The goal will be announced at a later date.

12. IKAR Meeting Terrestrial Rescue

Bruno thanks all the organizers for a perfect preparation of this meeting, especially Dominik Hunziker. Also a special thanks to all the manufacturers who presented their products.

Danilo likes the work meeting very much, but would like a summary of the most important data of yesterday's meeting.

Jelk will try to get all the possible data and then publish it on the internet.

13. Review Work Meeting Pontresina 2007

Bruno asked France if it is possible to hold a work meeting next year. France agrees to organize such an instructive meeting again.

Voting for the organization: accepted with 22 red and 5 blue; no opposing votes.

OEBRD: Self-developed self-securing sling with **Millet**.

France states that several manufacturers have voiced interest in this meeting. The executive committee will decide about that request.

14. Elections

There will be elections next year. Bruno will stay in office until 2010, unless there is a candidate who would like to take over the office of president in 2008.

15. Miscellaneous

We realized that Japan, member since last year, did not receive a ballot. Japan though agrees with all the voting so far.

No further questions or objections. Therefore, Bruno Jelk is holding a presentation regarding crevasse rescue.
